

Health Care Assistant (HCA) Clinical

An exciting new opportunity to join Counties Medical could be yours!

Counties Medical is an integrated, patient centred and fast growing, primary care organisation with Urgent Care and GP Clinics located in Papakura and Takanini.

We heal, educate and advance the health of our community through a culture of innovation and best practice. The future is exciting for our organisation. – **WE WANT YOU TO BE PART OF IT ALL AS A CLINICAL HEALTH CARE ASSISTANT IN THE GP CLINIC at the Papakura site.**

We are looking for a Clinical Health Care Assistant, part or full time with a start mid to late January 2021. This is for morning shifts covering the clinic hours of 8am to 5pm but there is flexibility for you within these daily hours.

To fit our existing Counties Medical team, you will need to be an enthusiastic, hardworking team player.

You WILL need –

- Previous experience in a healthcare setting as an HCA or related role
- To be sensitive to the needs of patients and their family / whanau
- To be positive, pleasant and co-operative
- To be able to work as part of a multidisciplinary team
- To be organised and methodical with completion of tasks
- Ability to be self-directed and able to use your initiative.

An NZQA Level 4 HCA (Health Support Assistant) National Certificate is preferred.

Please submit your CV and covering letter to *Karen French, Practice Manager – email:* karen.french@countiesmedical.co.nz or contact Karen on 021 702 441 for more information and a position description.

Applications close Friday 8 January 2021 5pm
