

DO YOU NEED A TEST TODAY?

You ONLY need a test if you:

- Have cold, flu or COVID-19 symptoms
- Are a close contact of someone with COVID-19
- Have been told to get a test by a health official, including if you have a positive RAT result
- Are required to have a test under a mandatory testing order
- Work directly with COVID-19 positive patients
- Are attending a procedure at a DHB hospital and have been asked to get a test

You may not need a test if:

Your employer has asked you to get a test and you do not meet the above criteria.

To ask questions about this notice, please speak to testing staff or call Healthline 0800 358 5453

Thank you for your help and understanding.
